

世事如花

詞、曲、編：鄭澤輝博士

Red sun, light glows everywhere, green wildflowers bloom in thousands.
Slices of red, orange, green, yellow, purple, more beautiful and vibrant.
Clouds drift across the sky, who could have guessed the beauty would change so much.
In the sea of people, rise and fall is tiring, the world is like a flower, day after day.
Change, even though the world changes every day, the Lord's love is always constant.
Change, glory and light shine in the heart, only hope and faith remain.
See, grass will wither, flowers will fade, only our God's word is forever firm.
The earth will all change, only you never change, your years are never exhausted.
